Look out for the best HDMI[®] Counter and Hang Sell displays on the market

Available through your Electrical Wholesaler

MEERKAT

Another range extension from Trader, the Meerkat HDMI® (High-Definition Multimedia Interface) range is ready for use by Australian Electrical Contractors.

This HDMI® offer is an audio/video interface for transferring uncompressed video data and compressed or uncompressed digital audio data from a HDMI® - compliant source device, (such as a display controller), to a compatible computer monitor, video projector, digital television, or digital audio device.

HDMI is a digital replacement for analogue video standards

Trader is HDMI® Ready!
