

COBRUSH CODEN CODENBK

See current catalogue for further detail

* The Clipsal brand and associated products are Trademarks of Schneider Electric (Australia) Pty Ltd.

GSM Electrical (Australia) Pty Ltd, the TRADER brand and it's products, have no endorsement or affiliation with Schneider Electric Pty Ltd.

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Cable Management Plates

- Excellent dust sealing solutions for telecommunications and data cabling applications
- They are ideal for positioning behind wall mounted television, home theatre and component systems
- The cabling remains neat and tidy with a minimum visually exposed out of the wall cavity, with the large openings allowing multiple cables to be accommodated at once
- Standard colour is white. CODEN also available in Black (CODENBK)
