

HPPP1GAU HPPP151GAU

See current catalogue for further detail

Single Outdoor Power Points

- This series of weatherproof auto switched sockets (power points) are ideal for caravans or accessing power from exteriors of relocatable buildings.
- Models are rated at either 10A or 15A 250V ~ and are double pole to provide adequate power required from most portable dwellings.
- The HPPP1GAU series has a socket that switches on when the plug is inserted.
- The flap on the HPPP1GAU series is designed to be able to close over standard plugs from extension cords and provide an adequate weather protection rating to IP34.
- The flap contains a flexible seal that hugs over the cable to help maintain the IP rating while it is in use.
- The product comes with a foam gasket for sealing against the mounting surface and a separate mounting flange for use in cases where wall panelling is thin and wiring space is limited.
- UV stabilised polycarbonate to resist yellowing from sunlight.
- Standard colour is White. Also available in Black - please check availability.
- Terminals are suited for up to 2 x 2.5mm² cables.

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Catalogue Number	Description
HPPP1GAU	Power Point Weatherproof Single Outlet IP34 10A 250V ac Double Pole Auto Switched with Cover White Caravan Ready
HPPP151GAU	Power Point Weatherproof Single Outlet IP34 15A 250V ac Double Pole Auto Switched with Cover White Caravan Ready
