

PU4X4MB

See current catalogue for further detail

4X4 Mounting Blocks

- 31mm high mounting block to suit LE4X4 (34mm with backing plate) .
- Made from UV stabilised polycarbonate to avoid discolouring to yellow.
- Mounting block includes backing plate for situations where fully enclosed insulation is required.
- Standard colour is white. Black also stocked - please check availability.

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.
