The Clouded Leopard - Trader's easy to install range of slim matt switches and sockets designed in Australia for Australian Electrical Contractors.

Available through your Electrical Wholesaler

CLOUDED LEOPARD

Trader's Clouded Leopard Twin Power Point with Dual USB Chargers (Type A & C) has arrived - our slim matt range of switches and sockets are ready for use by Australian Electrical Contractors.

Key Information:

- Wall plate 7.5mm thick to align with other Clouded Leopard products.
- Sockets rated to 10A 250V a.c.
- USB outlets rated to 3.4A max total at 5V.
- Warm white LED indicators to show power on status.
- Auto-Switched socket outlet switches active upon plug insertion/withdrawal.
- Each electrical socket contains shutters activated from the neutral pin.
- The USB circuit is integrated with the socket outlet and connected internally so only one set of terminals are required for the electrician to wire the device.
- Fits standard mounting accessories with 84mm centres.
- Terminals suit 3 x 2.5mm².
- Recommended for phone use or small tablets only, larger devices such as laptops with USB C connections require much greater output.
- Standard colour is Matt White. Also available in Matt Black - please check availability.
- Product is approved in accordance with AS/NZS3112.
- USB outlets comply with AS/NZS61558.2.16:2010 A1-3.
- Typical example of size seen below:
