

Custom design your own plates and switches

PLATE AND MECH PRINTING

THE BEST PRINTING SERVICE IN AUSTRALIA!

All our printing is done in Adelaide at the Trader Incubator

WE CAN PRINT ON ANY TRADER MECHANISMS OR PLATES!

How to order:
SKCUSTOMPLATE

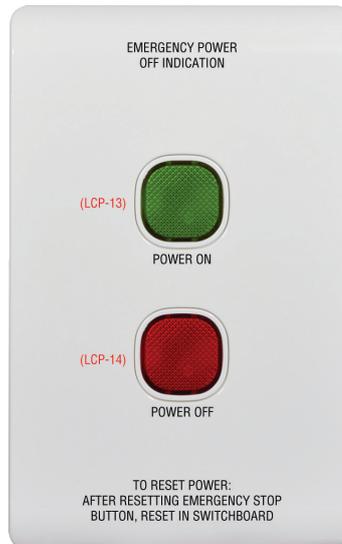

Please specify what TEXT is to go on the chosen plate and where. Your branch can write this on your order to us in the NOTES section.

Example:

1x LESWPV2G
1x **SKCUSTOMPLATE**

Notes:

Print on LESWPV2G
Top - EMERGENCY POWER OFF INDICATION
Below top switch - POWER ON
Left of top switch in RED - (LCP-13)
Below bottom switch - POWER OFF
Left of bottom switch in RED - (LCP-14)
Bottom of Plate - TO RESET POWER:...

Example shows printing on plates.

How to order:
SKCUSTOMMECH

Please specify what TEXT is to go on the chosen mech. Your branch can write this on your order to us in the NOTES section.

Example:

1x LESWW3G
3x **SKCUSTOMMECH**

Notes:

Print on Mechs of LESWW3G
1x KITCHEN
1x DINING
1x LIVING

Example shows printing on mechs.
