

SCFL10F

Cleaning Guide:

It is important to ensure that product is turned off before cleaning.

Do not use any cleaning sprays - only wash down with damp cloth or mild detergent, and lightly hose off. (Do not use an abrasive cloth as it may damage the surface finish).

Do not use harsh chemical cleaners as these may damage the surface coating.

Scorpion LED Floodlight, Frameless SCFL10F

Product Specification

Part Code	SCFL10F
Lumen Output	900lm
Power	10W
Weight	0.353kg
Voltage Rating	220-240V~ 50Hz
Colour Temp	4000K
IP Rating	IP65
LED Lamp Life (L70)	20,000Hrs
Beam Angle	110°
CRI	>70
Cable Length	900mm
Operating Temp	-10°C to 40°C ta. 40°C
Electrical Class	Class I
Product colour	Black
Fascia colour	Black with black frame
Installation	Locking hinge bracket
Warranty	Two (2) Years
Dimensions L x W x H (mm) (refer diagram below)	120 x 27 x 88

Typical Mounting Options

Dimming

The Scorpion Downlights have been designed for optimum performance with our Dimpala range of dimmers:
DIMR - Dimpala Universal Eclipse Dimmer // DIMPRX - Dimpala Push Rotary Dimmer No Glow // DIMPR - Dimpala Push Rotary Dimmer
Please refer to our Website or Catalogue for further detail and accessories

Note: In some regions a slight flicker may occur when the luminaire is dimmed. This could be due to power line signals sent by electricity supply utilities. This effect is not a malfunction of the luminaire or dimmer but could be a result of local power supply changes. If this occurs at any stage adjusting the dimmer back to maximum output should minimise the effect.

Cleaning Guide:

Switch the device off and disconnect the charger from the socket before cleaning.

Clean the product with a soft, dry cloth. Do not use any form of abrasive cleaner or solvents to clean the unit. Never dip the Worklight into liquids.

Store the Worklight in a clean, dry and dark place. Do not expose the worklight to temperatures of under -15°C for long periods of time.

Caution:

Never use a damaged product (eg. worn cable, cracked casing).

Scorpion Worklight Versa, Rechargeable, 40W, IP54

The Scorpion Rechargeable Worklight on a tripod has arrived. The Worklight features a total of 3200 lumen output while running on battery. The product can provide light for up to 6 hours, making it ideal for work sites.

Specifications:

- Power rating: 40W LED.
- Max. 3200 lumens for full light.
- Two (2) brightness settings available according to your needs: 50% or 100%.
- With its triangular ergonomic shape, this Worklight offers great stability.
- Charging time: Approx. 6.5hrs.
- Lighting duration: High, max 3 hours / low, max 6 hours.
- Light can be rotated 300°
- Hanging hook and 2 wall mounting holes.
- Power bank function: Type C output 5V 2A.
- Rechargeable Li-ion Battery 18.5V 3.6Ah.
- Includes 1metre Type C USB Charging Cable
- IP54 Rating.
- Weight: 3.9kgs.

Tripod features include:

- Versatile clamp for easy attachment to many surfaces.
- Hanging hook for quick storage.
- Foldable and extendable tripod to easily adjust the height and position of the Worklight according to your needs.
- Tripod extends to 3.4m (max)
- Tripod construction powder coated steel with polycarbonate connecting sleeves.
