

Electrical Solutions for Dental & Medical Rooms, Physio & Chiro

Maximise the safety of staff and customers in dental and medical rooms with electrical solutions from Trader, Australia's fastest growing brand of switches, sockets and wiring accessories
We are local, Australian owned and represented in every state and territory.

Dedicated power

If you have essential service electrical equipment* requiring dedicated power points, make sure staff and visitors are aware of these needs with our Puma Vandal Proof range. Red indicates essential supply and special body protected circuits. Blue is UPS supply (uninterrupted supply) and typically used for computers. Labelling options available separately.
*For Patient Areas, refer to AS/NZS3003:2018 Electrical installations requirements.

Customised labels

Keep switches labelled and marked for specific purposes eg. Air-Conditioning with our plate and switch mech printing service.

Energy smart

Powermesh smart switches and power points provides timers and sunset/sunrise schedules for lighting and appliances. Power is never left on indefinitely saving energy and reducing power bills.

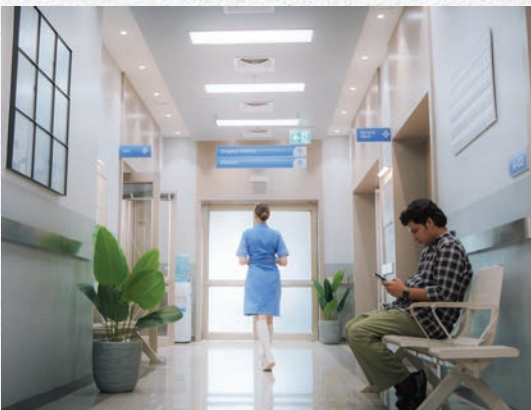

Waiting Room charging

Give your patients and visitors the opportunity to charge their phones while waiting with our Puma and Cougar range of USB chargers. Available with power points as well as standalone USB .

Air freshened

Keep public bathroom areas odourless with our Falcon range of exhaust fans. These have a high performance long life ball-bearing motor.

Energy efficient sensors

Maximise lighting efficiencies with Owl Infrared Sensors. These offer full 360 degree detection with an 8 metre radius.

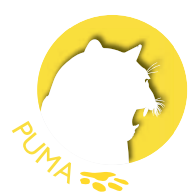

Meerkat Nightlight

Perfect for hallways and utility rooms, the Meerkat Nightlight Mech light offers safe and cost-effective convenience for patients and visitors.

Outdoors with Hippo

Tough, reliable and safe, Hippo Weatherproof power points are rated to a class leading IP54, ideal for outdoor areas and potential water hazards. For added safety, power points have built in shutters. USB charging option also available.
