

TRADER MEDICAT™

Trader MEDICAT is a range of power points and wall plate accessories specifically designed for patient care areas in alignment with AS 3003 requirements for hospitals, medical areas, and dental surgeries.

The range is based on recognised grid plate designs (Puma and Cougar style) commonly used in these areas and is ideal for replacing or upgrading existing electrical installations. The offer includes colour-coded task specific power points (emergency power, patient care, and cleaning purposes for example) chemical resistant protection, LED power on indicators, integrated Residual Current Devices (RCD), Double Pole for most sockets and Safety Shutters. Safety starts with MEDICAT.
