

With a few Powermesh switches in your life...
life just got a whole lot easier!

Keep leaving
the shed light on?
Just tap them off on your
phone

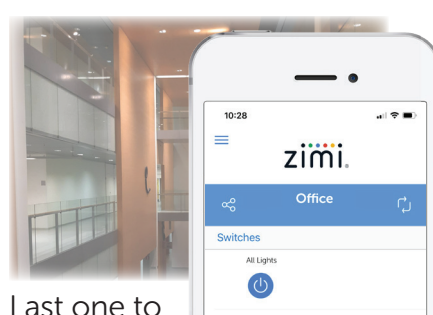

Lighting up a
sign at night?
Set up a sunset schedule.

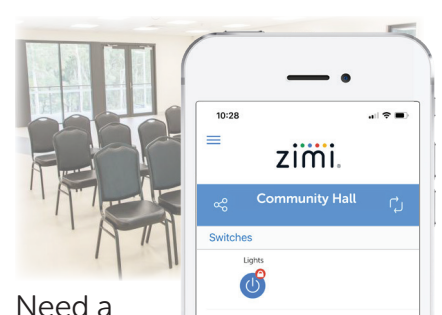

Forgot to turn
on the lights in the beer garden?
"Hey Google, turn on the garden
lights."

Not sure why
your power bills are so high?
Plug in your appliances and see
why on the Zimi App.

Last one to
leave the office?
Tap "All Lights Off" on your
phone and go!

Need a
lockable powerpoint
in a public place?
Lock the powerpoint when not in use.

We install it, set it up and back it up, with the full support of Trader and Zimi.
Give us a call and let us show you just how easy it is to touch, tap and talk with Powermesh.
