4 Gang Fixed Power Point

Trader's Puma 4 Gang Fixed Power Point is another range of power point and switches ready for use by Australian Electrical Contractors.

We believe our 4 Gang range serves the consumer expectations of Australians that are building or renovating, and useful for many other commercial installs. So many jobs need that extra fixed gang power point in Kitchens, Bedrooms, Offices, Entertainment Areas and Workshops.

Kitchen – Oven, Toaster, Kettle, Thermomix, Phone Charger.

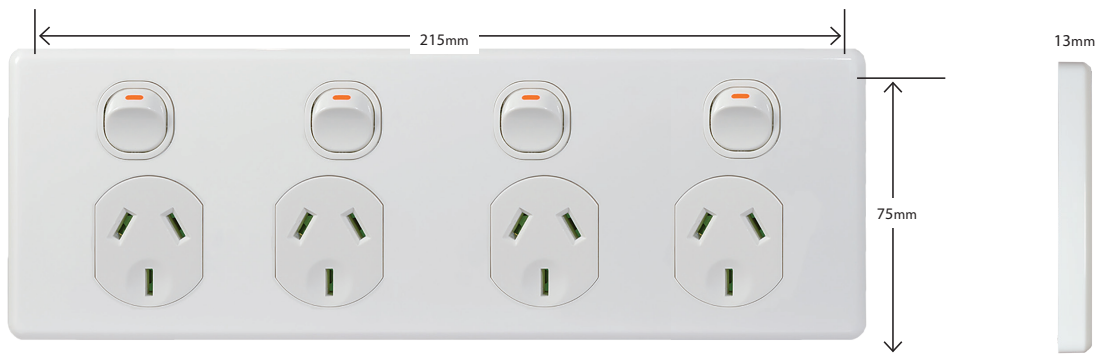

Bedroom – Clock Radio, Phone Charger, Electric Blanket, Two Lamps.

Living Room – Television, DVD Player, MP3 Player, PlayStation, Sound Bar.

Office – Computer, Printer, Fax Machine, Phone Charger, Lamp.

Workshop – Power Drill, Computer, Phone Charger, Bar Fridge, Stereo.

- 183mm mounting centres
- Supplied 2 gang wall bracket
- Pre-wired for easy installation to suit 1 power circuit
- 13mm thick
- Single Pole switched
- 10A 250V
- Covers, plates and dollies are made from UV stabilised polycarbonate to avoid discolouring to yellow.
- Approved to AS/NZS3112.
- Uses brass tunnel terminals that have the screws backed out for easier installation of cabling. Power Point terminals have 5.8mm bore to suit 4 x 2.5mm² cable.
- Suits plasterboard installations only.
- Standard colour is White. Also available in Black- please check availability

Supplied with mounting bracket and prewired tails.
